

Church Crookham Junior School Clubs Summary External Providers

Autumn term 2023

Dear Parent / Carer,

Below is a list of clubs available, run by external providers and not by school staff at school, for the autumn term. Places for outside clubs are available, acceptance of payment is acknowledgement that your child has been accepted into the club. Confirmation of your agreement is with the club provider and not with the school. Attached to the email are details of each club so you can register your interest in a space at one of the clubs listed below.

A register will be taken at the beginning of all clubs. **Regular attendance is expected - if your child is unable to attend a parent/carer will need to notify the school office or club provider directly.**

For the clubs which are taking place after school, parents and carers are welcome to collect the children from the location where the club is taking place. If you are not sure where this please come to the school office to ask.

There will be other clubs available, mostly during lunchtimes, that children are able to attend. This will include football, netball, choirs to name a few. Information will follow in due course.
